# Shirt Card

1. Print out the templates. Print the card on colored cardstock and the tie on either white cardstock (to be used as stencil or to draw on it) or directly on patterned or colored paper.

2. Cut out the shirt template - cut along all full lines.

3. Fold along the dashed lines.

4. Decorate and cut the tie, or cut it and use it as a stencil on patterned paper.

5. Add glue on the top of the tie (on the back) and glue it on the card base (between slits).

6. Fold the strips of paper at an angle and towards the bottom to make a shirt collar.
